### **Stoughton Utilities donates \$1000 to the Stoughton Wellness Coalition**

Stoughton Utilities employees Brian Erickson and Brian Hoops recently presented the Stoughton Wellness Coalition with a \$1,000 to help sponsor their biannual “Med Drop” medication disposal and sharps collection event. The Stoughton Wellness Coalition partners with a national pharmaceutical take back initiative to provide area residents with a safe avenue to dispose of unused prescription medications in order to keep them out of the groundwater supply. This donation was funded by the Stoughton Wastewater Utility, which will directly benefit as fewer prescription medications are flushed into the sanitary sewer system.

###

Founded in 1886, Stoughton Utilities serves electric customers in Stoughton and the surrounding area, and wastewater and water customers in Stoughton.
