### **Stoughton Utilities Awards Public Power Scholarship**

Stoughton Utilities recently awarded a \$1,000 scholarship to Stoughton High School Class of 2019 graduate Elizabeth Hammond. Ms. Hammond was selected to receive the utility's Public Power Scholarship based on a variety of criteria, including academic achievement, community involvement, charitable work, extracurricular activities, and future goals and plans. She will attend Saint Mary's University of Minnesota - Winona in the fall to study elementary education and art.

"The scholarship program is a way for our locally owned, not-for-profit utility to invest back into the community," says Stoughton Utilities Director Jill Weiss. "We are very pleased to be able to reward the accomplishments of Stoughton's youth, and provide them with support as they pursue further educational opportunities."

Stoughton Utilities congratulates Ms. Hammond and the entire Stoughton High School graduating class of 2019.
