Stoughton Utilities RoundUp Program Donates \$1,000 to the Housing Advocacy Team of Stoughton

Stoughton Utilities recently donated \$1,000 to the Housing Advocacy Team of Stoughton. This donation is part of Stoughton Utilities' RoundUP program, a voluntary program that 'rounds up' customers' utility bills to the next whole dollar. All proceeds are distributed to local non-profit community organizations.

The Housing Advocacy Team of Stoughton (HATS) believes that everyone deserves stable housing and works to address affordable housing needs in the Stoughton area. They are currently coordinating a project to build a 4-unit apartment building for local families who are living with unstable housing situations.

Stoughton Utilities began its RoundUP program in 2006 as a way to further assist local non-profit organizations in our community. Over five percent of Stoughton Utilities customers have voluntarily chosen to participate in the program and are continuing the "neighbor helping neighbor" concept that founded Stoughton Utilities over a century ago.

Customers wishing to participate in the RoundUP program, or non-profit organizations requesting to be considered for future donations, may sign up online at stoughtonutilities.com/roundup, or by calling Stoughton Utilities customer service at (608) 873-3379.

###

Founded in 1886, Stoughton Utilities serves electric customers in Stoughton and the surrounding area; and wastewater and water customers in Stoughton.
