Stoughton Utilities RoundUp Program Donates \$500 to Folks Wagons, Inc.

Stoughton Utilities recently donated \$500 to Folks Wagons, Inc. This donation is part of Stoughton Utilities' RoundUP program, a voluntary program that 'rounds up' customers' utility bills to the next whole dollar. All proceeds are distributed to local non-profit community organizations.

Folks Wagons donates cars and car maintenance to those in need in the Stoughton school district, helping to provide transportation to work, school, and doctor appointments. Since its founding in 2000, Folks Wagons has given away over 70 cars to people in need in the community.

Stoughton Utilities began its RoundUP program in 2006 as a way to further assist local non-profit organizations in our community. Over five percent of Stoughton Utilities customers have voluntarily chosen to participate in the program and are continuing the "neighbor helping neighbor" concept that founded Stoughton Utilities over a century ago.

Customers wishing to participate in the RoundUP program, or non-profit organizations requesting to be considered for future donations, may sign up online at stoughtonutilities.com/roundup, or by calling Stoughton Utilities customer service at (608) 873-3379.
